**ADVENTURE RACE CROATIA CROATIA**

**ADVENTURE RACING** is the ultimate race of human endurance. Teams of four athletes race non stop, day and night through courses up to 500km in length.

Each course is a unique journey, including mountain biking, trail running, paddling and rope work. Teams must navigate through remote wilderness checkpoints using only map and compass.

They battle not only other teams, but challenging terrain, sleep deprivation and unpredictable weather. If one racer quits, the entire team is unclassified.

Just reaching the finish line is a victory.
