

## User Guide to the ARWS Rankings

Choose Global or Regional Rankings to see a ranking of all teams participating. Global rankings (Tier 1) are for Premier Mixed teams (co-ed team of 4). Regional rankings (Tier 2) are for all teams.

The screenshot shows the 'Change region:' dropdown menu open, displaying the following options: World Rankings (selected), ARWS Asia, ARWS Africa, ARWS Europe, ARWS Oceania, ARWS North America, and ARWS South America. Below the dropdown, the 'Team filter:' and 'Athlete filter:' input fields are visible, both containing the placeholder text 'Enter team name' and 'Enter athlete name' respectively. The word 'WORLD' is displayed in large, bold, black letters in the background.
